NB: Engineering design still to be finalised. It should be noted that Services Pits may be located within lot boundaries and in road reserves, adjacent to residential lots. Trees are indicative only. All Lots subject to final precalculation and may be subject to change.

All dimensions and areas are preliminary and subject to survey. The particulars on this brochure are supplied for identification purposes only and shall not be taken as a representation in any respect on the part of the vendor or it's agents. Authorities should be consulted when services are contained within lot boundaries as building restrictions may apply.
